Preparing for a smooth transition

Virtual Briefing on LDC Graduation
Wednesday 6 January 2021

Tomas Gonzalez
Office of the High Representative for the LDCs, LLDCs and SIDS
Preparing for a smooth transition

• Start the process early on
• Crucial role of country leadership
Preparing for a smooth transition

• Designate a High-level focal point
• Leverage the smooth transition period
• Establish a consultative mechanism
Consultative mechanism

- Broad-based
- Facilitate a space for dialogue among key stakeholders
- Has a clear road-map and timeline to develop a smooth transition strategy
- Linked to other relevant consultative mechanisms
Consultative mechanism

- Ministries and government agencies
- Civil society
- Private sector
- Development and trading partners
- United Nations
- Other international organizations
Development and trading partners

Create a space for dialogue in the context of graduation

Engage with all bilateral and multilateral partners
Smooth transition strategy

- Linked to the national development planning process
- Connected to relevant regional and sectoral initiatives
United Nations

- Resident Coordinator
- United Nations Country Team
- United Nations Inter-Agency Task Force
Thank you
